# I C U High School Song

I can sing with all my heart  
Of all the dreams I can search for  
Of all the love that is God sent  
Of all horizons I will explore  
Praise be to you  
I C U  
I will pledge to walk  
The road of light and learning  
With God in me to guide me every day  
See me through the narrow  
Send me on my way  
For tomorrows that I long for  
By how I live today

I can see a bright new dawn  
A future which lies in our hands  
A future we will shape and form  
A future to make better for man  
Praise be to you  
I C U  
I will pledge to strive  
To work for understanding  
No matter what the race or creed may be  
The spirit of all men  
Our souls be all the same  
We can work for peace abiding  
Unite our hearts to sing

\* Praise be to you  
I C U  
Honor to you
